

Welcome to the 2018 Al Cerone Wednesday Men's League.

Time:

- We have the tee from 3:15 to 6:00 PM on Wednesdays. First come first off, create your own foursome or join up when you get there. You may also play anytime during the day on Wednesday as long as you play the scheduled nine. You will need to check with the clubhouse to make sure that nine is available.

Format:

- **Individual Par Points / Stableford**
- **The Ghin Handicap system will be used and will be mandatory to have.**
- Collect pre made Al Cerone Scorecards in the pro shop for use each week.
- Players play 9 holes each week according to the league schedule and accumulate points based on their **NET** (after hcp.) scores. See Chart.
- Record your handicap on your scorecard, mark your dots.
- Standings and handicaps will be posted on the club bulletin board each week.
- Scores for 15 weeks will be used. This allows you to miss 5 weeks with no penalty.
- The player with the highest cumulative score at the end of the season is the winner.
